Thursday fellowship

A weekly meeting for ladies and men.

They have a range of speakers and take up a collection for charity, e.g. Guide Dogs Association, Macmillan Cancer Care, Muscular Dystrophy and Tools with a Mission. Regular financial support is also given to the Leprosy Mission by many members. .

Occasional help would be appreciated to provide transport to and from the meeting.

The Ark

Our own Pre-school operates daily during term time.

Care & Share

A group of ladies meet monthly to chat, have coffee and use any skills and talents they have to make things, mostly for sale at the craft stalls.

They would welcome more members in order to expand the range of items that can be produced.

Good Neighbours

A scheme that takes requests by telephone for help, particularly transport to hospital, doctors' visits, and occasionally shopping.

More drivers are desperately needed, as well as volunteers to man the telephone and arrange the requests that come in. Would welcome more involvement from our church

Saturday Film Club

There is a desperate need for someone to take over the responsibility of running this and for regular helpers.

A recent video for teenagers with refreshments. Jointly with the Methodist church and the Police. Held on 2nd Friday of the month at CBC for school yrs 7-9 and at Crowthorne Methodist Church on 4th Friday for older children (aged 15+)

Again there is a need for someone to take over the responsibility of running this and for regular helpers too.

Saturday Club

A Bible-based morning for primary school aged children with craft activities included. Initially a one-off on 14th July but hopefully something which may eventually grow into a Holiday Club
