

## **February, A month of prayer and fasting** **Tuesday 1<sup>st</sup>-February to Sunday 27<sup>th</sup> February 2022**

Sometimes Church life can be so busy serving God, each other and the wider church that we forget to wait quietly in His presence and listen to His voice. If we want to see our church grow it will require prayer so that we can hear from God and act with intention in the ways he guides and directs us. God can speak to us in a variety of ways, some may be quiet which will require us to be intentional with listening which is why we are creating a prayer space for a whole week beginning the 14<sup>th</sup> Feb. We might hear God speak whilst out on a walk either on our own or with others, and we might hear God when we intentionally fast and give the time to Him.

You see, Church growth is spiritual warfare and we have an effective weapon. Prayer is that vital weapon in our battle against all opposing powers which will try to stop the move of the Holy Spirit and new believers coming to faith. We desire to see family, friends, neighbours and our community meet God, our desire is to see our church overflowing, therefore we are going to actively and intentionally dig deep and communicate with God.

When we pray it unleashes God's power to bring growth, answered prayer, healing, inner peace and more knowledge of Him, so we must constantly and earnestly pray and be devoted to prayer.

### **What are we praying for?**

There will be an area of focus for each week and we will provide specific things for us to pray for together (which will arrive in your inbox before the week begins). We are keen to spend time in God's presence to pause, to listen and to be encouraged by what he says. We are looking forward to hearing how God speaks to us all. We would love to hear from you anything you believe God might be saying to us, so please do share these things with us.
